### THIS IS NOT AN INVOICE

Summary of potential charges related to testing of:07/07/2022

Testing Authorized By: Zhijin Pan

#### Summary of Potential Charges

**No billing information entered for this report.**

#### Note:

- This report is a statement of potential charges incurred for the test session as of the date shown.
- This report is not an invoice and does not necessarily reflect the amount of the final invoice. Additional charges may be added for activities such as laboratory testing or evaluation, and/or charges may be discounted for services covered by your annual certification fee.
- The final invoice will be sent to your organization under separate cover. All final invoices will reflect a minimum \$50.00 charge.
- Questions regarding this report can be directed to your assigned CWB Certification Services Representative.
